Manifestation Expert Shares Tips on How to Ignite Your Life

Kerri Colegrove, manifestation expert, will be interviewed by Amy Heart on August 5th, 2011 at 3pm PST to talk about how Prayer Bundles are a manifestation tool to ignite your life!

LOS ANGELES, AUGUST 2011 – Kerri Colegrove, founder of Prayer Bundles www.prayerbundles.com will talk live with national celebrity radio host, Amy Heart this Friday, August 5th 2011 at 3pm Pacific Standard Time on [Amy Heart Live](http://AmyHeartLive.com). Kerri Colegrove is a manifestation expert, renowned healing expert and author of Feasts for The Gods, a speaker on the law of attraction.

Colegrove will be talking about her company Prayer Bundles and how her prayer kits help set the thought, desire, wish, or prayer a person may have in motion. There is often a disconnect in the Law of Attraction between thought and motion –a prayer bundle bridges this gap via a practice that has a magical way of helping manifest, sometimes directly, sometimes indirectly.

“I’m so excited to be on the air this Friday with Amy Heart – her belief in the law of attraction and her heart-felt approach is beautiful.” Colegrove says. “It will be a fun show. I have learned that nobody else can create your happiness and joy in your life. It is up to your gorgeous, powerful self to create magic in your own life. We all have that magnetic, electric energy within our hearts. Once you figure it out, you will never go back to your old, worn out thought process.”

Colegrove will address the true power of manifesting on Amy’s show this week. She has worked personally with Amy Heart and made her an abundance prayer bundle specially tailored to her needs. “This experience on Amy’s nationally recognized radio program and an opportunity to speak on the ritual of prayer bundles, I can’t wait,” she says.

Prayer Bundles www.prayerbundles.com was founded after Kerri Colegrove had a personal journey that led her to discover the phenomenon of manifesting wishes through making prayer bundle kits. Prayer Bundles are found in many indigenous cultures around the world and serve as a bridge to the manifestation gap - a way to take the ideas and put attraction energy towards it. Her approach to these creations, in the tradition of the Inca and their ancestors dates back over 5,000 years. When you make a prayer bundle, you blow your wishes or prayers into leaves, then put the leaves into the prayer bundle. When you’re done making it, you burn it. This releases the energy of your intentions (wishes or prayers) to the quantum physics field of the universe. The universe replies with answers...prayer bundles are a medium to initiate attraction (not religion-specific).
